NEW on the Bishop High home page!

Bishop High now has online giving available on our website. Through a partnership with givezooks! our donors can support the school by making contributions online.

This means no stamps, no paper, no finding a mailbox! Simply click on the donation button on the home page and choose a way to give to the school. Businesses, community supporters, parents, grandparents, alumni, faculty and staff and the board of trustees... everyone that gives to Bishop can now donate online.

Just in time for our Annual Giving Campaign, we hope you will joins us and help spread the word about how easy it now is to make a contribution to our Adopt-A-student program or to the Science Wing Renovation project or Phase II of our Library Technology Project or the Athletic Department... and more.
