

Spring 2008

Cardinal Baseball joins the DP Little League Challengers for a day of fun on the field...PLAY BALL!!!!!!

In 2004 the Dos Pueblos Little League began the Challenger Division to bring together special needs boys and girls, ages 5-18 years, to PLAY BALL!! Currently the Challenger Division is well on its way as nearly 50 youngsters take the field every Saturday at Girsh Park, to play this marvelous game. Each week the Dos Pueblos Little League "major" players and coaching staff play ball with the Challengers as both divisions are connected by a buddy system.

In the spring of 2008 Bishop Garcia Diego High School's Varsity Baseball team, under the direction of coach Brian Moulton, joined the Challengers for a good will visit. It was an experience to remember and the Cardinals look forward to making this an annual Bishop tradition.
