

## Ways to Donate to the Spring Gala Dinner and Auction “Dinner and a Movie”

### **AUCTION ITEM**

All items from big to small are appreciated. Our wish list includes: certificates for (restaurants, salons, resorts and spa services, etc.), tickets (college and professional sports, theater and concerts), electronics, sporting goods, antiques and collectibles, home and garden accessories, frequent flyer miles, hotel points, vacation homes, autographed sport items, your special talent (painting, design, cooking, etc.).

### **GIFT REGISTRIES**

Do you need help with an auction item idea? Bishop is registered for items at Williams-Sonoma and Pottery Barn at La Cumbre Shopping Center. Use the registry machine, input the school's name and review the list. Its so easy!

### **GROUP GIFTS**

Student families may get together and pool funds and/or items for an auction item. This generosity allows us to obtain some spectacular auction offerings! Gather a group together and come up with a super item that everyone will want to bid on the night of the auction.

### **PARTIES**

Everyone loves a party! Party packages are always a popular auction item and often create some of the liveliest bidding. If you are a creative party planner and would like to host a themed party at your home (or have access to a facility for a group party), then this is the idea for you!
