2010 Prius II or...\$20,000 Cash

"Pick your color!"

It's all about color this year as the Cardinal Club helps

Cardinal red... go green at Bishop High.

Making a Prius II available to our raffle winner is just one way Bishop High supports a community wide interest in going green.

The "silver" lining is all about setting an example at Bishop High, whether it's in Athletics or Academics.

- Support the Cardinal Club's effort to even the playing field for our student athletes. 85% of our students play a sport. A full 50% play two sports or more as Bishop High competes with schools more than twice its size... and still seen 100% of its students accepted to college since 2002.
- Show your true colors and support Bishop High with your purchase of a raffle ticket. Whether you choose to cool it down with a Prius II in "blizzard pearl" or "winter gray metallic" or heat it up with "Barcelona red metallic" Prius II, going green never offered so many choices!!
