

BISHOP / HIGH

June 2011 E-News

From the desk of Dr. Paul Harrington, Head of School

Looking back at this school year we can account for much success. This job well done is due in great part to the dedication of our faculty, staff, coaches, trustees, benefactors, parents and guardians. The senior class will be celebrated in grand style this week. 100% of the Class of 2011 is college bound. They leave a legacy of leadership, academic excellence, abounding spirit and a spectacular class gift of a scoring table and padded chairs for girls' and boys' basketball and volleyball! No school funds will be used on this project ([read more](#))

Assistant Head of School

Dr. Joe Reiken

Thank you parents, faculty, staff, and benefactors for a wonderful school-year. Without your hard work, dedication and support our students would not thrive at the level they do. We are blessed to have such a wonderful, generous community where students and learning come first. I want to extend my deepest and sincerest gratitude for all you do for our school and students. Counseling Office

Ms. Lynette Patters

Provisional scheduling of classes has been completed and students returning for the 2011/2012 school year have selected their courses. This summer the class schedules will be finalized and students will receive these before the start of school in the fall.

Students who failed any classes this year must make them up over the summer. City College offers classes that often meet our requirements, the public school system may have classes your child can take, or you can check on-line classes ([read more](#))

truly been a pleasure to support each of you with your college planning.

In other college counseling news, if your child earned a D grade in any of his/her courses while at Bishop it is highly recommended for your student to contact the colleges he/she plans to apply to so you can ensure they have met their admissions requirements as many colleges will not accept D grades. Campus Ministry

Mrs. Jennifer Winnewisser

It feels like we've only just begun and here we are finishing out another wonderful school year. The Campus Ministry Team of 2010-2011 was hard-working, motivated, and spirit-filled. Congratulations to each member of the team for a successful year of vibrant liturgies, meaningful prayer services and momentous retreats. [\(read more\)](#)

Dean of Humanities

Ms. Mandy Combs

It has been a whirlwind end to the year, as usual! I want to start by saying how amazing the spring production of Beauty and the Beast was! Congratulations to Jordana and the entire cast and crew on one of the best musicals I've seen at Bishop. The actors were fantastic, the costumes impressive, and the singing beautiful. I also want to thank the Humanities faculty for all of their dedication and hard work this year. Thanks to their interest in expanding the curriculum and their flexibility, we are able to add a Creative Writing course, Sociology/Philosophy class, and Dance. [\(read more\)](#)

Dean of Students

Mr. Ray Vazquez '86

The end of the year is fast approaching and I truly believe we have had a very successful year. I would like to take this opportunity to thank you for supporting my efforts at guiding your students in the area of Self-Reliance, one of the six Cardinal Standards. As the Dean of discipline it is my job to maintain a safe, supportive and nurturing environment for your students. Our policies are in place with the safety and

As our Advancement office prepares this year's report on Annual Giving, we want to be sure we have thanked you in as many ways possible, that we have literally dotted our 'i's' and crossed our 't's' and given you all the recognition in this report, in all categories that you have generously earned. Please look over our PROOF because we don't want to miss you! [\(read more\)](#)

Dean of Science

Dr. Joe Reiken

Congratulations to all of our seniors! Our sciences program continues to run strong! We are pleased to announce that we will be offering four new science courses for the 2011-2012 school-year. We are proud to offer Introduction to Programming, Introduction to Engineering, Engineering Physics, and Dual Enrollment Physics (students who take physics will also receive credits through Santa Barbara City College). In technology, we are offering [\(read more\)](#)

ASB Updates

Ms. Stacey Carr, ASB Moderator

Prom was held at the Rincon Beach Club on Sunday, May 22nd from 6pm-11pm. This semi-formal event was a smashing success for the 178 students who attended. The young ladies were stunning in their Oscar award winning gowns and the young men handsome as ever in their tuxes and bow ties. Students were greeted by the Rincon staff with fresh tropical fruit skewers, handmade ginger chicken wontons, grilled Kobe beef mini burgers on brioche rolls with [\(read more\)](#)
