

PARENT PLEDGE 2009-2010
Safeguarding Children from Substance Abuse

The Parent Advisory Board seeks to empower parents/guardians and students to make choices that support healthy living in an era when substance abuse is destroying lives. To discourage alcohol, drug, and tobacco use by teens, the Parent Advisory Board is asking parents to sign the pledge below, after sincere consideration and in good conscience. A similar pledge is being taken by members of other communities in California and around the country. A list of Bishop parents/guardians who have signed the pledge will be available to you through the monthly school newsletter, and will be updated as needed. You may wish to consult this list when approving your teen's social schedule.

In addition to providing you with a list of "safe" houses, the Parent Pledge List will also send a message to our youth that the adults in our community do not approve of teen alcohol, drug, and tobacco use and will not make it easy for teens to use these dangerous substances. The Parent Pledge is about teen substance use in home social situations and is not meant to target legal adult alcohol or tobacco use in your home.

Please fill out the information below, sign your name, **and return this form at Back To School Night** or to Mrs. Carolyn Taylor in the school office.
