Blessing Bishop

As we head into the Christmas seasons, many ask how they can bless Bishop Diego with a tax-deductible gift. Over the next two weeks, the Advancement Office is outlining the various ways that our generous donors can support those Bishop initiatives that matter most to them:

December 15 – December 21: Technology Campaign

Ensuring that Bishop Diego’s students have access to cutting edge technology is essential to preparing them for the future. Whether it is maintaining and upgrading the Gherini Center for Multimedia Arts and Technology, supporting the 1:1 iPad program, providing state-of-the-art security systems, or integrating new alumni and donor software, Bishop Diego relies on the generous support of those who understand the importance of 21st century technology.

December 22 – December 31: Spirituality Campaign

Our Catholic faith is the primary factor that differentiates Bishop from any other high school in the area. The tremendous impact spirituality has on students prepares them to face life with hearts full of compassion. Retreats, Masses, Theology classes, and service opportunities infuse a Bishop Diego education with character formation that changes lives. Giving to this campaign will affirm your belief in the power of a Catholic education.

To give your year-end, tax-deductible gift to any of the above campaigns, please visit our Online Giving page at www.bishopdiego.org/online-giving and choose The Fund for Bishop Diego when donating. Your support changes lives!

Warmly,

Dr. Cristy McNay
Director of Admissions and Advancement
