HOMEWORK ZONE: Will be closed after school on Thursday, March 28. However the Library remains open until 3:00pm.

COURSE PLANNING 2019-20: Students should have brought the Course Selection form home to share with parents a couple weeks ago. This past week, counselors met with every 9th-11th grade student to review individual course selections and to answer questions.

Beginning, March 25th, please take a moment to review the courses your student selected for next year in PCR. Please note that what you see in PCR is not your student’s actual schedule, rather courses they have requested. Final schedules won’t be available until August. To access this information in PCR, have your student go to their student portal and click on student profile. Then click on Course Selections on the left side of the page. If you have trouble logging into the portal, please contact Liv Gonzalez.

Priority scheduling is given to students who have submitted their registration materials for 2019-2020.

Please know that teachers have made thoughtful recommendations based on multiple criteria (i.e. test performance, grades, effort, etc.). However, should you have any questions or concerns about the Course Recommendation process, please don’t hesitate to contact teachers and Ms. Anderson.

AP EXAMS: Students who are taking AP Exams this May are REQUIRED to attend a pre-registration event on Thursday, April 4 at 1:45pm, in the Library. This session is MANDATORY and will end at approximately 2:30pm.
