

Counseling Services – *Mrs. Rya Carpenter*

GRADES:

Mid-quarter grades have been updated in PCR as of Thursday, 9/20. If you haven't already checked your PCR portal for your child's current grades, please do so. If you need help with your PCR Parent Portal login credentials, please contact our Registrar, Liv Gonzalez, atlgonzalez@bishopdiego.org.

OFFICE HOURS:

Data shows that students who take advantage of Office Hours before school experience improvement with grades. If your student is struggling in any class, please encourage him/her to attend Office Hours as often as needed. Teachers and peer tutors are available to assist students Monday - Friday, 7:50-8:15 a.m.
