Curriculum Additions

We are delighted to announce that Bishop Diego has been accepted to the Amazon Future Engineer Program. This exciting sequence of courses is designed to prepare students to pursue careers in computer science and will allow our school to offer AP Computer Science classes. It also allows students to connect in-person or virtually with an Amazon engineer, or take a field strip to a fulfillment center which provides hands-on experience working with industry-leading cloud computing tools. For the 2019/2020 school year this means we will be offering courses in Into to Computer Science.

We are also happy to be able to once again offer AP Government. This course is a 12th grade social science class open to those that earn a 3 or higher on the AP US History Exam, or a B+ in US History and American Literature, and recommendations from any previous Social Science or English teachers. Please contact Mrs. Anderson or Mrs. Carpenter if you have scheduling questions.

Senior Exit Interviews

Seniors will have their exit interviews on Thursday, April 11th from 1:45 pm to approximately 2:30 pm. The senior exits interviews, a requirement, give our seniors a chance to express how they have grown these last four years in the core value areas. They also have the opportunity to give the faculty feedback on their experience at Bishop. Anyone who misses the interview due to absence from school or a sports competition will have their interview at a future date with Mr. Flanagan and Ms. Carr.
