

Curriculum & Instruction – *Mr. Tim Flanagan*

As the new school year begins, we are excited to welcome four new faculty members to Bishop:

Brittany Anderson-Cain Dr. Anderson-Cain joins the World Languages faculty at Bishop after more than a decade of experience at the university level, most recently at California Polytechnic State University where she taught Spanish classes from beginning to advanced levels. Having earned her PhD in Spanish from Emory University, traveled extensively throughout the Spanish-speaking world, and designed course content and curricula for multiple Spanish classes, Dr. Anderson-Cain is an exciting addition to the teaching staff. She is slated to teach Spanish I & II.

Robert Batch Mr. Batch will be joining the Theology faculty after three years at St. Bonaventure High School in Ventura. As a graduate of Franciscan University, a former Youth Outreach Director at Saint Paschal Baylon Parish, and retreat leader for NET Ministries, Mr. Batch is well-placed to transition into the Bishop family. He will be teaching Theology 9, 10, and 12.

Meaghen Harris Ms. Harris joins the Mathematics faculty with 13 years of teaching experience, most recently at Garden Street Academy. With a masters degree in Education in Mathematics from the State University of New York, Stonybrook, experience in both public and private school settings, and having taught a wide variety of math courses from pre-algebra to calculus, statistics and SAT prep, Ms. Harris adds great versatility to the math department. She will be teaching Algebra BC, (H) Algebra II/Trigonometry and Pre-Calculus.

Kelsey Schroeder Ms. Schroeder joins the faculty with 20 years of teaching experience, the last 12 of which were spent at Moorpark High School. Having demonstrated success in everything from Algebra I to AP Statistics, Ms. Schroeder represents another versatile addition to the growing Mathematics department here at Bishop.

With degrees from UC Berkeley and the University of Idaho, teaching experience in Catholic schools, and expertise in technology integration, Ms. Schroeder brings a wealth of knowledge to the teaching staff. She is slated to teach Geometry and Calculus.

K-12 TEXT BOOK UPDATE

All books ordered through K-12 before August 15, 2018 have been shipped and should arrive by August 22, 2018.

Teachers are aware that students will not have all of their books on the first date of school. This will not be an issue.
