PERSEVERANCE: I am not afraid of storms, for I am learning how to sail my ship.

~Louisa May Alcott

This week is CATHOLIC SCHOOLS WEEK. What a beautiful gift we have here at Bishop Diego High School! We have a faith-based education where learning, service and leadership are emphasized and encouraged, giving all students the opportunity to reach their God-given potential. Tuesday, January 28th at 10am we will have kindergarten through 8th graders from Notre Dame, Our Lady of Mt. Carmel and St. Raphael schools join us for our annual K-12 Mass. We look forward to this grand celebration! Parents are welcome!

We are excited to share with you that on Wednesday, February 13th Bishop Robert Barron will be on campus to speak with the Juniors and Seniors. It’s a great honor to have the very-busy Bishop take time to visit with our students. Parents, you are most welcome to come! Lunch will be provided for all 11th and 12th graders on this day.

Senior mothers mark your calendars! Thursday, February 14th we will hold a luncheon for you and your senior students at 11:45am in the Mission Center (room 208). Be on the lookout for more information.

The Senior Retreat is often remembered as one of the greatest highlights of our students’ high school career. Thank you for keeping the planning Team in your prayers as we work to create a meaningful experience for all. The retreat will take place Tuesday-Thursday, March 12-14.

CANNED FOOD DRIVE - In the spirit of Catholic Schools Week, we ask that each student bring in at least one canned food to be donated to the Catholic Charities food pantry. Each of the students from the visiting schools will be contributing to this drive as well. Please consider donating! Canned food can be brought to Theology classes. Thank you!
