RESPECT - Healthy relationships of all kinds are usually composed with honesty, trust, and respect. ~Ace McCloud

Bishop High School prides itself in helping our students realize their God-given potential, assisting them in ways to show love, and encouraging them to accept love from others, especially from God. We do our best to accomplish a sense of belonging for our students in safe, respectful and trustworthy environments, primarily through **class retreats**. Campus Ministry is in the planning stage of figuring out the best way to provide a class retreat for our 9th graders. Freshman should be on the lookout for announcements regarding a date, time and location. Thank you for your patience!
