The Golf Tournament was a HUGE success!

Thank you to all who donated items, time, and talent to help make the 48th annual golf tournament a wonderful success! We sold out within 4 weeks of opening registration and secured more sponsorships than ever before. This was due solely because of the phenomenal Golf Tournament Committee including current parents Velma Chan, Raquel Chrestenson ’99, Francois DeJohn, Christiano Fernandes, Crystal Martinez, Andrew Ochsner ‘85, and Dan Stowe, alumnus Robert Forouzandeh ’99, alumni parents Jim Stovesand (committee chair), Mario Coronado and Christina Songer, and staff Mike Cano ’76 and Erika Van Wingerden ‘08.

I also want to thank the countless student and parent volunteers for their help setting up and taking down the event, working the check-in tables, monitoring the course, and donating food and items. Many hands make all the difference and we felt the love that day!

If you have the opportunity, please take the time to thank the following very generous sponsors for their support of Bishop Diego and the tournament. Without them, we could not have raised almost $60,000 this year!
Spring “Open House” Tours

Do you know a family who has been on the fence about where to send their student for high school next year? One of the hardest things for a Catholic school is getting the word out about the special communities and learning environments we offer. It is often hard to express all of the amazing things that happen during a student’s four years at Bishop.

There are two primary ways for a family to come to know who we truly are:

1. Word of Mouth
2. Tours and Events

While we know that our students and parents are our best advertising, we also know that if we can get a new family and their student to visit our campus, 90% of the time they will choose Bishop Diego. I am asking for your help in reaching those families who think they know us, but who will be pleasantly surprised when they learn who we really are.

I ask that you assist us in bringing the fence sitters, naysayers, and even the curious to our campus for their very own private tour. What better way to learn about Bishop than to see it up close and in person? Have them reach out to me or I can even reach out to them to set up a date and time that works best. I am always excited to share the blessings of Bishop Diego High School!
$50,000 Matching Gift

Thanks to some very generous donors, every dollar donated between now and June 30th to The Fund for Bishop Diego will be matched up to $50,000! Help us reach our goal! Donate at https://www.bishopdiego.org/support/online-giving today!

Warmly,
